

What are **DETERRA POUCHES?**

Deterra Pouches can rid any home of dangerous, leftover drugs in minutes. It's easy to deactivate and dispose of pills, patches, liquids, creams and films in three simple steps.

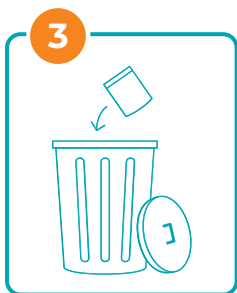

1. Place Medication in Pouch

Open pouch & place unused medications inside.

2. Fill Halfway with Water

Fill halfway with warm water & wait 30 seconds.

3. Seal, Shake & Dispose in Trash

Seal tightly, gently shake & dispose of in normal trash.

Don't let unused medications fall into the wrong hands – **DISPOSE OF THEM SAFELY.** For more information visit us online at: **AHC-STL.org**
